INSURANCE
BROKERS

VNM Insurance Brokers

We are a leading provider of short-term insurance solutions designed for the hospitality industry. Through our partners and agency agreements, we have the ability to insure almost all risk categories.

Customer service

We are dynamic and flexible organisation who's primary focus is on administrative efficiency, customer service and satisfaction.

Our mission is to ensure that our clients interests are always placed first

BROKERS OF CHOICE

Product range

Our product range varies from fast-food franchises through to B & B's, game lodges, large hotels and resorts.

Our clients are spread throughout the country - distance is not an inhibiting factor to providing our clients with the quality service they are entitled to.
